# MANIFESTO

- Live and show the love of Christ to each child (forgiveness, kindness, honesty, interest)
- Read Scripture and talk about it.
- Pray and talk about answers to prayers.
- Value my relationship with each child over any aspect of curriculum (valuing who they are in Christ over how they do in school)
- Take time when time needs to be taken
- Encourage each child to do the hard thing because they are capable (Mind of Christ)
- Facilitate learning and help smooth the pathways in which they show interest (student led learning)
- Gently teach and encourage self-care (taking care of one's body and things)
- Teach healthy choices
- Foster a feeling of family pride
- Encourage a love for our country
